

# HAVING TROUBLE DISPOSING OF OLD FUEL TANKS DUE TO FUMES AND ENVIRONMENTAL RULES?

**FINELINE FUEL SYSTEMS OFFERS AN EASY TO USE, SINGLE STEP TREATMENT THAT CLEANS AND DE-FUMES YOUR OLD GAS TANK.**

It's environmentally friendly and easy to use - just add water, pour it into the empty used tank, and swish it around until it coats all the surfaces. Then just pour it down the drain!

- ✘ No more dump disposal fees or environmental concerns.
- ✘ No more gas fumes in your work area.
- ✘ No more labor intensive cleaning.
